Warrensburg Walks Trails

Walking trail routes begin and end at the Warrensburg Community Center front door. For the most accurate distance measurement, enter and exit the Community Center property at the same location. Routes can be combined for longer walks or a portion of a route can be used for a shorter walk. Exercise due caution at all intersections, railroad crossings and when traversing any areas that may have broken sidewalks.

Route plan developed by Eagle Scout Candidate, W. Ross Huntington, Boy Scouts of America, Troop 514
