

In order to create more parking options for the patrons of the downtown area a new concept has been developed and enacted by the City. New parking restriction signs have been posted throughout the downtown area.

The 2-Hour Parking, Monday thru Friday 8 AM to 5 PM, zones are posted for your convenience and changes have been made in the 2-hour zones to allow business employees to park in the less restrictive areas without being ticketed. Fines of \$8.00 per offense will be issued in 2- hour increments.

Overnight vehicles that normally remain parked in the downtown area will be able to park in the free city parking lots or areas just outside of the downtown zone without being ticketed or towed.

No Parking Overnight, Monday thru Friday from 2 AM to 5 AM, will be enforced for most of the downtown streets. Motorists in violation of this new requirement will be fined \$15.00 and may have their vehicle towed at the owners expense.
