

# Old Drum's Best Friends Dog Park

## **Vision Statement**

Old Drum's Best Friends Dog Park is a place where dogs and their people come to play, exercise, and bond, responsibly and safely. It celebrates the connection between humans and their canine companions in a way that honors the legacy of Old Drum, the original "man's best friend."

## **Activities**

Old Drum's Best Friends Dog Park will feature lots of open space for running (one space for large dogs and one space for small dogs) as well as some agility equipment in both spaces for the dogs to enjoy a little extra workout. Other occasional activities will include trainings for humans and their dogs, and fun contests like Frisbee catching and fetching.

## **Financials**

Cost for additional fencing, approximately \$11,000. Other items include signage, water source \$2,275, trash cans, poop bags and wood chips. We think we will need at least \$30,000 for the first phase of the project.

## **Fundraising ideas-**

- Partner with local restaurants
- Add additional fee to dog license cost
- Photo contest
- Silent auction
- Pet calendar sale
- Sell bricks- pathway to dog park entrance
- Dog Walk
- Doggie Dive event at the Community Center
- Collection jars- "Coins for Canines"
- Apply for available grant funds
