

LAND DISTURBANCE PERMIT

When soil is disturbed on a construction site, a land disturbance permit is required to be issued along with the building permit. If your project will disturb the soils on the site, please complete and return the attached Land Disturbance Permit Application with the building permit application.

PERMIT FEES FOR NOT FOR PROFIT CORPORATIONS

In October 2012, City Council approved the waiving of building permit, zoning, and public works fees for construction projects on property owned by any political subdivision or organization that has obtained an exemption from the payment of federal income taxes as provided in certain sections of the US Internal Revenue Code. If you are a tax exempt entity, please provide a copy of your tax exempt letter to see if you qualify to have your permit fees waived.

BUILDING PLANS

Please submit two sets of the site/civil plans and building plans. One set will be returned to you at the time the permit is issued. Plans should be wet stamped by a Missouri registered architect and/or engineer as required by state law. To find out if your remodel/alteration project requires wet stamped plans, contact Brett Penrose at 660-262-4634.

RIGHT OF ENTRY:

In the discharge of his/her duties, the Code Official or his/her designated representative shall have the authority to enter at any reasonable hour any building, structure or premise in this jurisdiction to enforce the provisions of the building codes adopted by the city of Warrensburg.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make the application as his/her authorized agent and we agree to conform to all applicable laws of this jurisdiction.
