

Agenda for the March 5, 2020, meeting of the Warrensburg Energy and Sustainability Task Force

*@ 9:30 a.m. - School Board*

*Office - 201 S. Holden*

1. Approve the minutes of the February 6 meeting.
2. Approve the agenda.
3. Discussion of possible solar project for Warrensburg.
4. Discussion of Renewables Direct program from Evergy that would allow Warrensburg to say it is 100% renewable in electricity usage.
5. Discussion of the recommendations of the 'report to the city' for 2020. I've separated this into 2 categories, 'city' and 'city-wide' to reflect ideas for the city to pursue, and those for the community of Warrensburg. The pages that you see in front of some items comes from the CLIMATE ACTION KC booklet that I sent to you on January 22. Please bring other ideas that you would like for us to consider.

Ideas for the city

- solar project
- Renewables Direct
- p. 13, Train City Staff in Energy Efficient Behavior
- p. 15, Energy Performance Contracts
- include 'energy and sustainability' hours in a city employee's contract

City-wide ideas

- promote vegetable gardens ('victory' gardens?)
- p. 28, Plant Native Plants
- p. 22, Promote Small Scale Composting
- p. 24, Raise Awareness About Household Food Waste
- promote tree planting

6. Set the next meeting date.
