Adoption of Agenda

Agenda

1. WHS Environmental Club Survey Update – Aubrey
 - a. Aubrey’s students will present to the Warrensburg City Council at their meeting on June 12, 2023
 - b. The item has already been added to the City Council Agenda, a presentation will be sent a few days before to the City Clerk.
2. Tree Board, Tree Campus, and Tree City Update
 - a. City received a letter about possibly selling timber from the City’s land holdings in the Cooper Blvd and Hawthorne Park area. The City is planning a connector street between Cooper and Hawthorne area in the future. 816-622-0900. This is allowed by the City’s legal counsel advisement. Here are some suggestions.
 - Sell or auction off the cleared trees and use the money for the following purposes:
 - i. funding street tree maintenance around town,
 - ii. planting new street trees in areas that lack green infrastructure (e.g. environmental justice practices)
 - iii. Keeping one or some trees/timber to be repurposed as benches at parks.
 - iv. Sharing these ideas more so out of excitement about the prospect of this but also to hear your thoughts.
 - v. What trees are good to plant? So the group’s experience and expertise is welcomed for advice.
 - b. Chuck Connor – Community Forester, ISA Certified Arborist, ISA Tree Risk Assessment Qualified, Missouri Dept of Conservation, Lee’s Summit. Charles has asked to be invited to our next meeting on June 1 and will discuss invasive species and also his previous, long-time work with the Wbg Tree Board. We are excited he can attend and glad wishes to be added to our participant list. He is a terrific asset to the ESTF and Tree Board.
