This year the Missouri Energy-Star Sales Tax Green Holiday will be held April 19-April 25. This exempts state sales tax on retail sales of qualifying energy-star certified appliances up to \$1,500 per appliance. Examples of energy-star appliances are the following: clothes washers, clothes dryers, water heaters, dishwashers, air conditioners, furnaces, refrigerators, freezers, and heat pumps.

In 2015 the City of Warrensburg City Council voted to participate in the sales tax green holiday. The City is given the option to not participate each year.
