

Director of Finance Report

March 25, 2019

Honorable Mayor and
Members of the City Council
City of Warrensburg, Missouri

Dear Mayor and Council Members:

The Director of Finance respectfully submits this report to augment your review of the financial information provided.

Budget Process:

Our CIP committee met on March 15th to discuss what will be included in the fiscal year 2020 CIP budget. With the current balance and status of the ½ cent CIP, Staff has recommended that only stormwater repairs and 2020 IT needs will be included in the budget. We will need to begin discussions on the future of the ½ cent CIP, as this tax will sunset in 2024 unless it is renewed.

Next, Staff will discuss personnel request and compensation with the City manager on April 10th, in preparation for the base budget numbers.

Budget Amendments and Adjustments:

We have moved the 6-month budget amendments and adjustments to the April 8th City Council meeting so that Staff would have a complete 6 months to review. We do not foresee many amendments needed, but there are a few that need attention.

City Council Tours and Budget Retreat:

Staff did not receive any requested changes to the Council tour schedule for the week of April 22nd, or the budget retreat being held on April 25th. Staff will begin preparation for these meetings in the coming weeks. During the tours, Council members will be able to visit each department and receive an update on fiscal year 2019 budget issues and concerns and discuss needs and priorities for the fiscal year 2020 budget. Once a schedule for the tours has been put together, I will send the Council meeting makers to save the dates and times.

Revenue Comparisons:

Reports showing historical revenues through the month of February 2019 are attached for your review.

Sales Taxes were down in February (7.06%) when compared to February 2018 numbers, and February year to date numbers are down (1.03%). Use tax was also down (34.84%) in the month of February, but year to date is up 14.03% compared to 2018

Electric and Telephone franchise taxes are down significantly, while Gas and Cable franchise taxes are relatively even when compared to FY18 numbers.
