**What To Expect:**

Thank you for your decision to purchase a detail measurement from Lowe's. Under normal circumstances, the independent installer will receive your contact information and will contact you within 2 business days to schedule a convenient time to conduct the detail. Once the independent installer has completed the measure in your home and reviews specific job needs, they will return the information to the Lowe's store and your Lowe's sales associate will create a complete quote for your review. To help facilitate this process, please confirm your contact information at the top of this page. You also acknowledge that installation fees will be and additional charges may be based on the total product recommended by the installer (based on the installer's assessment of the unique characteristics of Your project). The installer's recommendation will include waste and will exceed actual room square footage. Note a responsible party over 18 should be present during the detail. If you have any questions regarding the detail process, please contact your Installed Sales team at the store.

**Why Lowe's For Installation**

- For reliable, professional installation service offerings at a great price, Lowe's is your best resource:
- We contract with experienced and professional independent installers who meet or exceed the highest professional standards in the industry.
  - We'll keep in contact throughout your installation experience.
  - Guaranteed satisfaction - From start to finish.
  - Financing options - We have several credit options available. Ask about which one is right for your project.
  - This detail measurement fee will be credited toward the purchase price of your project.

# GET IT INSTALLED

## Have Your New Flooring Installed Through Lowe's

We can make your flooring installation a breeze. A Professional Independent Contractor will begin the process with a project assessment.

### Here's What to Expect:

- 

You will receive an email from Lowe's and a call from an independent contractor within 48 hours of your scheduled measure appointment. If you need to cancel or reschedule please contact your local store.
- 

Before the independent contractor arrives, they'll confirm your measurement appointment and arrival time based on the time frame you selected.
- 

An Independent Contractor will complete the measure for the flooring surface type you have selected. Selecting product prior to the assessment will ensure that your quote is returned quickly.
- 

The Independent Contractor will complete forms and send them back to Lowe's.
- 

Next, an associate will contact you to finalize your product selection, if not already selected before the assessment, and will then complete your flooring estimate.
- 

Once the quote has been accepted, and products and services purchased, the independent contractor will contact you to schedule the installation when product becomes available.

### Partner with Lowe's for all of your installation needs!

We can help you explore our extensive selection & coordinate with a Professional Independent Contractor.

**Competitive Project Pricing**  
& an unrivaled product selection

**Professional Independent Contractors** who are background checked, licensed (where applicable) & insured

**Labor is Guaranteed**  
& backed by a minimum 1-year warranty

**Special Financing Options\***  
to fit your budget and your project

\*Subject to credit approval.

### BEFORE YOUR APPOINTMENT

- Please put away any pets. It will help the installer take measurement efficiently and accurately.
- A responsible party over 18 must be available and present during the entire appointment.
- Have any project questions ready for the installer to note or answer for you at the time of measure (for example, talk through the flooring type desired for the room as well as humidity and moisture questions you may have). Note that the installer will not have samples or an in-home presentation, but rather they'll just be completing the measure.

### NEED HELP?

If you have questions regarding your project, please call your local store at **800-445-6937**
