

CITY OF WARRENSBURG
PUBLIC WORKS

Council Letter No.

May 11, 2020

Honorable Mayor and
Members of the City Council
City of Warrensburg, Missouri

Dear Mayor and Council Members:

SUBJECT: A Proclamation of the City Council of the City of Warrensburg, Missouri
Recognizing National Public Works Week

BACKGROUND:

Because of the multi-faceted, ever evolving nature of public works, many services provided to the community are often considered as “must haves”. The American Public Works Association appropriately defines public works as the combination of physical assets, management practices, policies, and the personnel necessary for city governments to provide and sustain infrastructure and services essential to the welfare and acceptable quality of life for its citizens.

The citizens of Warrensburg should be truly proud of the professional services provided throughout the year by the men and women of the Public Works Department. Each and every employee of the department has persevered to maintain the essential services for the citizens of Warrensburg over the past many years. As their Director, I am proud of this team of multi-skilled employees.
