NDS Investments, LLC plans to use the existing building including rear outbuildings for overflow parking and storage.

The Planning and Zoning Commission also requested the site plan be red-lined to eliminate the west driveway as there is no intention to build that driveway.

*Public Comments Received*

As a land use issue that can have an impact on surrounding property owners, CUP's are required to receive input from adjacent property owners. The attached list of property owners within 300 feet of the site were notified of the meeting before the City Council on August 10, 2020. At the time of this writing, no public comment has been received.
