Dear Project Graduation Supporter,

The tradition continues of hosting the annual Warrensburg High School Project Graduation for the senior class. While our world has changed wildly from years past, Project Graduation continues to be coordinated by volunteer parents and guardians who are dedicated to providing graduating seniors with a safe location to celebrate the end of their high school career. Project Graduation demonstrates that a celebration including games, activities, food, entertainment, music and prize giveaways, without the influence of alcohol or drugs, is a community-supported and celebrated message that can be taken into life as our students embark on their adulthood.

The cost per student attending Project Graduation is around \$200.00. To make the evening affordable and available to all graduating seniors, Project Graduation counts on generous support of community members such as yourself. All sponsors will be recognized in print, at the event and online. In addition, early donors will be recognized on a banner to be displayed at WHS sporting events and Project Grad Dinner and Auction that is currently being planned. Please see the enclosed page for sponsorship levels.
