

CITY OF WARRENSBURG
COMMUNITY DEVELOPMENT

April 6, 2021

Honorable Mayor and
Members of the City Council
City of Warrensburg, Missouri

Dear Mayor and Council Members:

SUBJECT: Public Hearing on An Ordinance Repealing and Replacing Section 27-203 of the Code of City Ordinances of the City of Warrensburg, Missouri, Regarding Home Occupations in Residential Districts

BACKGROUND:

Staff routinely reviews the zoning ordinance to identify outdated, insufficient, or unnecessary sections that may need updating. Over the last year, Planning and Zoning staff identified the home occupation ordinance required updating and began a draft to amend the current ordinance with modern uses and streamlined language. A concern with home occupations can be the amount of traffic generated and parking congestion along the street and the impacts to the surrounding neighborhood; therefore, parking requirements have been incorporated for home occupations for non-resident employees and by the square footage used for the home occupation. Lastly, the subsections of the ordinance have been reordered for better understanding to the user and staff.

The attached ordinance accomplishes the following,

- Updates permitted and prohibited home occupation uses. Prohibited home occupations will be able to maintain an administrative office at the location, but the work or use cannot be on-site.
- Includes an exemption for telecommuting workers where a business is at another location.
- Requires home occupations to provide off-street parking based on the number of non-resident employees or square footage of the home occupation.

In order to highlight the changes to the code in comparison to the existing ordinance, a redline copy of the ordinance is attached that shows the new language in **red text** and deleted language in **red strikethrough** text. A clean copy of the proposed ordinance is also included that shows the final language as it would appear in the code book if the ordinance is approved.

ISSUE: To consider an ordinance updating the City's zoning requirements for home occupatons.

STRATEGIC PLAN:

The ordinance is consistent with Strategy 2 under Focus III "Adopt City goals, policies and plans to support and encourage residential, commercial, and industrial growth."
