Why are you interested in serving on a Board for the City of Warrensburg?	I believe I have a skillset that could help with the Parks Board.
What is your knowledge of the advisory Board/Commission you're applying for?	I served on the Parks and Recreation board until October of 2020. I left the board to focus on my daughters recovery from a vehicle accident. Now she is at a point in her recovery that I am comfortable joining the board again.
List any experience or skills you have that qualify you for this position.	With my previous experience with this board and having some knowledge of the struggles they are having I believe I can help steer the board in the right direction.
