American Rescue Plan

Funding objectives

Support urgent COVID-19 response efforts to continue to decrease spread of virus and bring pandemic under control

Replace lost revenue for eligible state, local, territorial, and Tribal governments to strengthen support for vital public services and help retain jobs

Support immediate economic stabilization for households and businesses

Address systemic public health and economic challenges that have contributed to the unequal impact of the pandemic

State and Local Fiscal Recovery Funds

Use of funds

Support public health expenditures

Address negative economic impacts caused by the public health emergency

Replace lost public sector revenue

Provide premium pay for essential workers

Invest in water, sewer, and broadband infrastructure

American Rescue Plan

Discussion questions

How would you like to see these categories prioritized?

Internal needs versus external needs?

How would you like to see funds distributed?

As we develop grants, how much do you expect recipients to contribute?

How would you determine if we were successful at spending these funds in our community?
