

Exhibit B Funding Request

Warrensburg Main Street is requesting \$5,000 to help fund a Christmas lighting project. Warrensburg Main Street and the Design committee have dedicated this year to help raise funds to update our current Christmas décor in Downtown Warrensburg. This request will help cover a small portion of the overall bid from a local business. Warrensburg Main Street will cover all maintenance expenses once the lights have been purchased and mounted onto buildings. Our goal is to complete this project and have lights during the holiday season of 2021.

Main Street, shall, during the term of the Contract, complete the following tasks to the public benefit of the City of Warrensburg:

- A. Plan and fundraise to add lights to all of the downtown buildings on Holden Street from Gay to Pine and Pine Street from Holden to Washington and Hout Street.
- B. Contact business and property owners for financial support and written permission to hang lights on the individual properties
- C. Contract local businesses to complete the lighting project and any electrical work that will be involved
- D. Actively fundraise for the total estimated cost of \$40,182.00 which includes cost of lights, labor of mounting, correctly drilling into historical buildings, electrical work, etc.
- E. Fundraising efforts will encompass property and business financial support as well as public donations through raffles or sponsorship. Grants will be utilized if possible.
- F. Main Street will perform yearly maintenance on the lights at the organizations expense if necessary.
