Subject: FY22 MMG - Warrensburg

Hi there,

Happy Friday! We've had a bit of confusion about the MMG percent match this time around so I wanted to shoot over a quick email explaining the breakdown in order to receive the full amount of MDT funds that you are eligible for. The 75/25 percent match made my head spin for a day or two as well, so I figured I'd send over something that may help.

On your budget grid, the **TOTAL** budget amount has to equal at least \$93,333.33 in order to receive the full eligible award amount of \$70,000.00 from MDT funds, which is 75% of the total budget amount. That being said, the local funds will have to be at least 25% of \$93,333.33, which would be \$23,333.33.

Total budget = \$93,333.33
MDT Match funds = \$70,000.00
Warrensburg Match funds = \$23,333.33

This is the breakdown in order to receive the **full** funding amount that you are eligible to receive from MDT. I want to make sure you get all that you are eligible for, if you choose to take that full amount.

Let me know if you need me to explain further or need any help!

Thank you!
