Why are you interested in serving on a Board for the City of Warrensburg?	I want to deepen my love for this city. Being on the Parks and Rec board has opened such a great opportunity to improve our parks. I feel as though more can be done, and it takes time to complete large projects. I don't feel as though I am done working with such a great team.
What is your knowledge of the advisory Board/Commission you're applying for?	As a current member of the board, I am still learning. There is a great deal of information to consider. The board is highly immersed in continuing improvement to the parks and services provided.
