What is your knowledge of this advisory Board/Commission?

The Advisory Board takes care of the business related to the Children's Memorial Gardens at the Nancy Anderson Park.

Each year the park board addresses the needs of the park in reference to plants, benches, statues, and other maintenance.

The Board also facilitates the annual Christmas Memorial Service, the fund raising Purse Palozza and the annual engraving of the names.

List any experience or skills you have that qualify you for this position.

Unfortunately, three of our childrens names are engraved on the wall which helps me to identify with those who have lost children too soon. Also, I have years of clerical and business experience working with multiple teams of people.

Why are you interested in serving on a Board for the City of Warrensburg?

I know how much the Children's Memorial Gardens have brought peace and closure in some very difficult situations and would like to help keep this Board doing all they can to provide the serene place they have made.

Why are you interested in serving on a Board for the City of Warrensburg?	Predjudice, ignorance and discrimination continue to tear our communities and country apart at the seams. I want to be part of the solution at the grass root level.
What is your knowledge of the advisory Board/Commission you're applying for?	The comission works through education and outreach to address local issues of discrimiinatiuon of all types. (race, religion, gender, national origan, stc)
List any experience or skills you have that qualify you for this position.	I try to be a disciple of Dr King (some days are better than others) I have deep concern for those that llive in the margins. I spent 33 years in the military, one year working at Algoa(MO Dept of Corrections), countless mission trips to Jamaica and Indian reservations. I almost always side with the underdog and cannot stand when something or someone is being victimized by those in a position to do so. At first glance I look like someone that would usually be in the majority on social issues, but that is is seldom the case.
