Greetings from WHS class of 2022

Dear Project Graduation Supporter,

The tradition continues of hosting the annual Warrensburg High School Project Graduation for the senior class. While the world has changed wildly from years past, Project Graduation continues to be coordinated by volunteer parents and guardians who are dedicated to providing graduating seniors with a safe location to celebrate the end of their high school career. Project graduation demonstrates that a celebration including games, activities, food, entertainment, music and prize giveaways, without the influence of drugs or alcohol, is a community supported and celebrated message. With that being said it takes the support of our local business and community members such as yourself to raise the funds needed to put on such an amazing event. It is estimated that we need to raise about \$200.00 Per student to put on Project Graduation. This money goes to fund food, games, and prizes for our senior class. All sponsors like yourself will be recognized in online social media locations as well as in print. We will make sure people know that you supported our WHS Class of 2022 Project Graduation!
