Danielle Fesler gave a brief update on a share point for the Parks Department and Board.

Danielle Dulin explained she and Fesler have been working together to get a mowing contract in order. She stated the mill and seal project is also being discussed.

Fesler stated the parks was holding a job fair. She said they had a great turnout.

Collins stated the city, and the Parks Board has been working with Big Brothers Big Sisters (BBBS) to make some improvements to the building BBBS uses at Shepherd's Park.

Dulin explained the city was not awarded the RAISE grant but will be reapplying next year.

Fesler explained she is working with William Graves to replace the lining at Hawthorne Park.

Mayor Holmberg expressed his concern of the lack of parks on the north side of the city. He stated family housing has been trending to grow to the north and brings the question if the parks board is considering a new park on the north end of town.

Dan Baldrige and Fesler explained the digital sign at the community center has not worked properly for a while and they are obtaining quotes to replace.

Mayor Holmberg discussed the importance of keeping communication open with the community to gain feedback and get the community's input.

Collins thanked the street department for helping to clear the community center's parking lot during the recent snowstorm so the center could remain open.

Meeting adjourned at 6:35 p.m.

Scott Holmberg, Mayor
