Honorable Mayor and
Members of the City Council
City of Warrensburg, Missouri

Dear Mayor and Council Members:

SUBJECT: Consideration of resolution approving the installation of public art by Main Street, Inc., RISE Community Services and Sterling Elementary on the fencing of THE ALLEY stairs and on private fencing at Holden & Market

BACKGROUND:

The 2017 – 2022 Strategic Plan identifies a strategic goal “to create a vibrant and inviting atmosphere that offers a unique feeling of inclusiveness” to promote regional draw to Warrensburg. One of the objectives to achieve this goal is enhancing art in Warrensburg. Main Street, Inc. has been working with RISE Community Services and Sterling Elementary to design a Dog Art project. The Contract for Services with Main Street includes provision of services for design and installation of public art.

The Arts Commission received and approved a proposal from Main Street, Inc. for the Old Drum Color Shadows Project at the March 23, 2022, meeting. The proposed design and information are included for council review.

STRATEGIC PLAN:

Focus IV: Regional Draw

FISCAL IMPACT:

Warrensburg Main Street, Inc. will have a contract for both locations for upkeep for five years and after five years, the project will be looked at to extend the contract or replace the artwork.

RECOMMENDATION:

Staff recommends approval of the resolution approving the installation of public art as described.

Sincerely,

Marcella McCoy

Allison,

Please see the proposed project asking to be discussed and approved through the Arts Commission at your next meeting:

Warrensburg Main Street, RISE Community Services and Sterling Elementary are working together to add Dog Art to The Alley and in front of the courthouse on Holden Street. We are partnering with one 4th grade class from Sterling to put their creativity on 20 outlines of Dogs RISE and Warrensburg Main Street. RISE will be cutting a vinyl outline of Old Drum dogs (21" each) in different positions which will be placed on wooden squares (23"X 23") for the students to paint and decorate. Once the students have completed their artwork at RISE the artwork will be sealed and the RISE workers will then install 3 panels on each fence (8ft x 6ft) panel. 10 of the Dog Art projects are to be placed on fencing by the stairs of The Alley, the remainder will be placed on the private fencing on the corner of Holden & Market owned by Gelbach Law. The total time for the installation will take about a week for both locations. Warrensburg Main Street will have a contract for both locations for upkeep for 5 years and after 5 years, the project will be looked at to extend the contract or replace the artwork. This art project brings youth and differently-abled adults together to create more color and art in Downtown Warrensburg. The logos of Warrensburg Main Street, RISE and Sterling will be placed on some of the panels to show the collaboration of the project.

Please see the attached examples of the proposed project. Once each panel is complete the placement may change to make the most appealing design but the general layout and design will be followed.

Please let me know if you have any questions.
