CODE OF CONDUCT

The City of Warrensburg Parks & Recreation Department strives to promote programs, events and activities, within the Community Services Department, which foster, promote, and emphasize a positive, safe and rewarding environment for the youth of our community. In support of this initiative, the Department has adopted a policy on Activities Code of Conduct for all those attending, or participating in, City of Warrensburg Parks & Recreation programs, or using their facilities. This policy sets minimum standards and expectations for the conduct of everyone. Everyone includes, but is not limited to, participants, coaches, all officials, administrators, spectators, attendees, parents, teachers, guardians, co-organizers, etc.

Policy on Activities Code of Conduct

When using facilities for, or participating in, youth programs and other activities, managed or supported by the City of Warrensburg, everyone is responsible for:

- Conducting themselves in a proper and socially acceptable manner
- Exhibiting behavior that supports the health, safety and well-being of others
- Providing a tobacco, alcohol, and drug free environment
- Refraining from the use of profanity or offensive language and ethnic slurs
- Abiding by all laws, rules, regulations, and ordinances whether city, state or local
- Abstaining from any type of conduct intended to humiliate or intimidate others

Expectations of Spectators

Cheering in a positive fashion, for both sides, is highly encouraged. Cheer for a good effort as much as a good performance. Always behave in a responsible manner and exercise self discipline. Make only positive comments about children – yours or others. Always show respect for all involved in the game including coaches, players, opponents, opposing fans and officials. Our programs are recreational leagues with fun as the primary emphasis. All coaches are volunteers, and we should all appreciate their efforts and support them...thus setting a good example for the children. Our program is designed for all participants to learn a sport, and striving to win is OK, but a "Win at all costs" approach is unacceptable and bad behavior will NOT be tolerated.
