

## Warrensburg Energy and Sustainability Task Force

Apr 1, 2021

**Attendance:** Casey Lund, Phil Miller, Mason Floyd, Beth Rutt, Steve Granger, Jeremiah Robinson. Reese students from Crystal Knight's class attended via Zoom

Minutes Rutt/Holmberg: Approved

Agenda Rutt/Holmberg: Approved

Steve Granger was able to obtain an informal report from the electric company that indicated a savings of \$4,000 since the city began its purchase of electricity generated from the wind farm.

Danielle Dulin is targeting a go see trip in May to a city such as Lee's Summit for the Task Force to learn how other communities encourage energy and sustainability efforts.

Recycling: The current waste management company that serves Warrensburg is struggling with home pick-ups.

Task Force organization: The May meeting will require some changes due to terms expiring. The Task Force recommends to council to appoint Jeremiah Robinson a member with voting rights. Steve Granger to become a voting member. New Chair and officers will be needed. Phil Miller will remain on the taskforce as a nonvoting member.

Next Meeting is May 6th
