### Warrensburg Recognized Nationally for Affordability for Veteran Homebuyers

The City of Warrensburg is proud to announce that it has been recognized nationally for its growth and affordability by LendEDU, an online financial marketplace. Out of over 25,000 cities nationwide, Warrensburg was one of the one of the most affordable cities for veteran homebuyers.

About 14.03% of Warrensburg's population is comprised of veterans and active military members, and only 17.10% of the houses in Warrensburg have a mortgage that costs 30% or more of the household income. This means the City remains very affordable, and a great place to call home, for our veterans and military members.

With these figures, Warrensburg is ranked #31 in the nation and #1 in the state of Missouri. This is affirmation the City of Warrensburg and its citizens can take confidence in its efforts to make Warrensburg a wonderful yet affordable community.
