

Photo Submission Consent Form

If you are taking or submitting photos of any person(s), we require this form be signed by the participant or participant's parents or legal guardian, if participant is not of legal age of consent. Each person(s) in your photo must sign a separate consent form. The photographer entering into the photo submission must also sign this form. This form must be signed and turned in, along with the entry form, to claire.myers@warrensburg-mo.com or by dropping it off at the Warrensburg Parks and Rec Community Center. No photos will be posted without all the forms.

Participant and/or participant's parents or legal guardian, if participant is not of legal age of consent, knows and understands that by participating (having photo taken) and or entering into the Warrensburg Parks and Rec Cover Photo submission, that the images may be used for promotional materials that will be distributed online and in print and that the individual has no expectation of privacy by participating in the submission. By having your photo taken for the purposes of this photo submission, the participant or the parent/guardian is acknowledging that there is no legal prohibition of consenting party's ability to consent to the taking and use of images to promote the Warrensburg parks and fully consents to the City of Warrensburg's usage of any images generated in conjunction with the parks. The consenting party must inform Parks and Recreation staff if there is any reason which would preclude the use of images taken in conjunction with this photo submission for promotional purposes only.

By signing this form I have read and fully understand the Warrensburg Parks & Recreation's Cover Photo Submission rules & guidelines and this consent form.

Participant's Signature: _____ Date: _____

Parent or Guardian's Signature (if under 18): _____ Date: _____

Photographer's Signature: _____ Date: _____
