Building Inspection Requirement

(for new business locations inside City Limits)

Please do no open without Approval

The City of Warrensburg is pleased to receive your application to open a new business. In order to obtain approval for a business license; however, the building you are planning to occupy must pass inspection by our fire, and building code enforcement departments. Before you can open for business, you must have approval from these departments.

You must also make sure that any existing issues with the Planning/Zoning and/or Public Works Department are satisfied.

I, _____ owner/manager
of _____ have read the
above information. I understand and agree that I will not open for business until the appropriate
inspections, as indicated above are completed and approved.
